About The Model

Enjoy this top favorite single level home located in the brand new subdivision of Sundance Pointe. The interior features 9ft ceilings, our biggest kitchen island with quartz counter tops and a huge pantry. The fourth bedroom can easily be used as an office space or maybe a craft-room. The lot offers front sod, rear seed, and full auto sprinklers with delivered pressurized irrigation which allows for major savings on your water bill. Don't forget natural gas to save on heating bills!
